Dear Carolyn and Alan,

I hope this note finds you healthy and well.

As a key stakeholder of Legacy Youth Tennis and Education, your consistent and impactful support is more critical now than ever. As you know, we had planned on hosting one of our biggest and best Annual LEGACY Benefits ever, honoring the legendary Billie Jean King and the Philadelphia Freedoms, however, things changed quickly due to the COVID-19 pandemic.

We made the difficult decision to cancel the Benefit. However, our important work with young people must continue, even during these financially challenging times. We created virtual learning and engagement for our participants. Honoring all state, local and USTA guidelines, we have opened our doors safely with mini tennis camps and Out of School Time programming at our Center and Community Tennis programming at neighborhood sites across Philadelphia. Currently, we are preparing for safe fall programming.

To honor and recognize your generous sponsorship, we will:

- Provide temporary Naming Rights at both the Garden Court and Hunting Park sites. Your banner will appear at the site and we invite you to visit before August 21, 2020. Your banner will then be featured at our Center through the end of the December 2020. Your name will also appear on the participant shirts.
- Feature your sponsorship on our website and social media beginning in September 2020
- Feature your sponsorship on our on-line Auction, which will be held on August 23 through August 29
- Feature your sponsorship in a video which will be presented as a gift to you as well as broadcast to all our constituents at the end of the summer.

Please join prominent businesses who have already fulfilled their sponsorship despite the pandemic. Please know that Lindy Communities' \$20,000 Grand Slam sponsorship will help to maintain the infrastructure needed to support the thousands of young people who seek out Legacy programming each year. Your investment continues to make a difference in the lives of many young people in Philadelphia, Chester, and Camden. We could not do this without you.

I greatly appreciate your encouragement and patience. Again, thank you for your much-needed support.

With gratitude,

Ron Nano
