

COMMUNITY RESOURCE LIST

Southampton, PA

There are many government agencies, nonprofit organizations and faith-based organizations that provide assistance to families in our community. The list below is by no means exhaustive.

There are a couple of important things to know when seeking assistance:

- ❖ Not every program is for every person. Be patient if the first few places you contact are not the right fit for you.
- ❖ The list includes organizations that do case management. Case management is a process that social workers use to help clients access services. A case manager (or social worker) may connect you and your family with services like rent and utility assistance, SNAP benefits and low or no-cost health insurance.
- ❖ Faith-based organizations like Catholic Charities, Jewish Family Service, Lutheran Services and the Salvation Army will assist people of any or no religion.

About hope+door

Our mission is to make a transformative impact by providing rental assistance to families who are facing homelessness due to an unforeseen life event beyond their control. We envision a bright, prosperous and stable future for families with school-age children that eliminates the worry of housing insecurity, moving children out of their schools, or other difficult choices. By mitigating these issues, we hope to provide stability and set families on a trajectory for success beyond their current circumstance.

hope+door helps families avoid homelessness by providing grants for up to 2 months of rent for qualified families. Rent grants are available to families in all 50 states.

You can help hope+door by becoming a hope+door ambassador today! Share information about hope+door in your community, host a Day of Hope and support hope+door with charitable contributions.
