3. Mail Payments to our P.O. Box:

Residents who wish to mail a check or money order must send it to the address on the statement and include the property number, unit number, and tcode as shown on the statement that is emailed to residents every month. This information is required so the payment can be associated correctly with the resident rental account. Any payments mailed to the PO Box without the required information will cause a delay of the payment applying to your account which could result in the payment being late.
